

BUY A BRICK AND LEAVE A LEGACY

Buy a commemorative brick and be forever linked to Historic Whitney Field, where polo has been played since 1882. Help us keep history alive while preserving green open spaces for future generations to have and enjoy.

Aiken Polo Club is dedicated to promoting the sport of polo in Aiken and to preserving, protecting and celebrating Aiken's polo history and traditions. We will continue to grow the sport at the grass roots level, teaching youth and adults at Aiken Polo Club, ensuring that polo remains one of Aiken's most beloved sporting traditions.

Buying a brick will help secure the future of this wonderful place.
